

BLANK ROME SCHOLARS PROGRAM

At **Blank Rome**, we are committed to embracing a diversity of ideas, perspectives, backgrounds, and experiences. This commitment drives our inclusive, collaborative, and high-performance culture, and contributes to our investment in our people, clients, and communities.

We established the **Blank Rome Scholars Program** as part of the firm's priority to recruit, retain, and promote attorneys who further that commitment to our overall diversity, and who, through their life experiences, have demonstrated the character to have a successful career in law and a positive impact on their communities. We are seeking high-performing summer associate candidates from diverse backgrounds with a view that they will join our firm upon completion of law school.

We are delighted to open this year's applications to our **2L Blank Rome Scholars Program**.
